

My Plate Planner

Please refer to meal planning guidelines on the back.

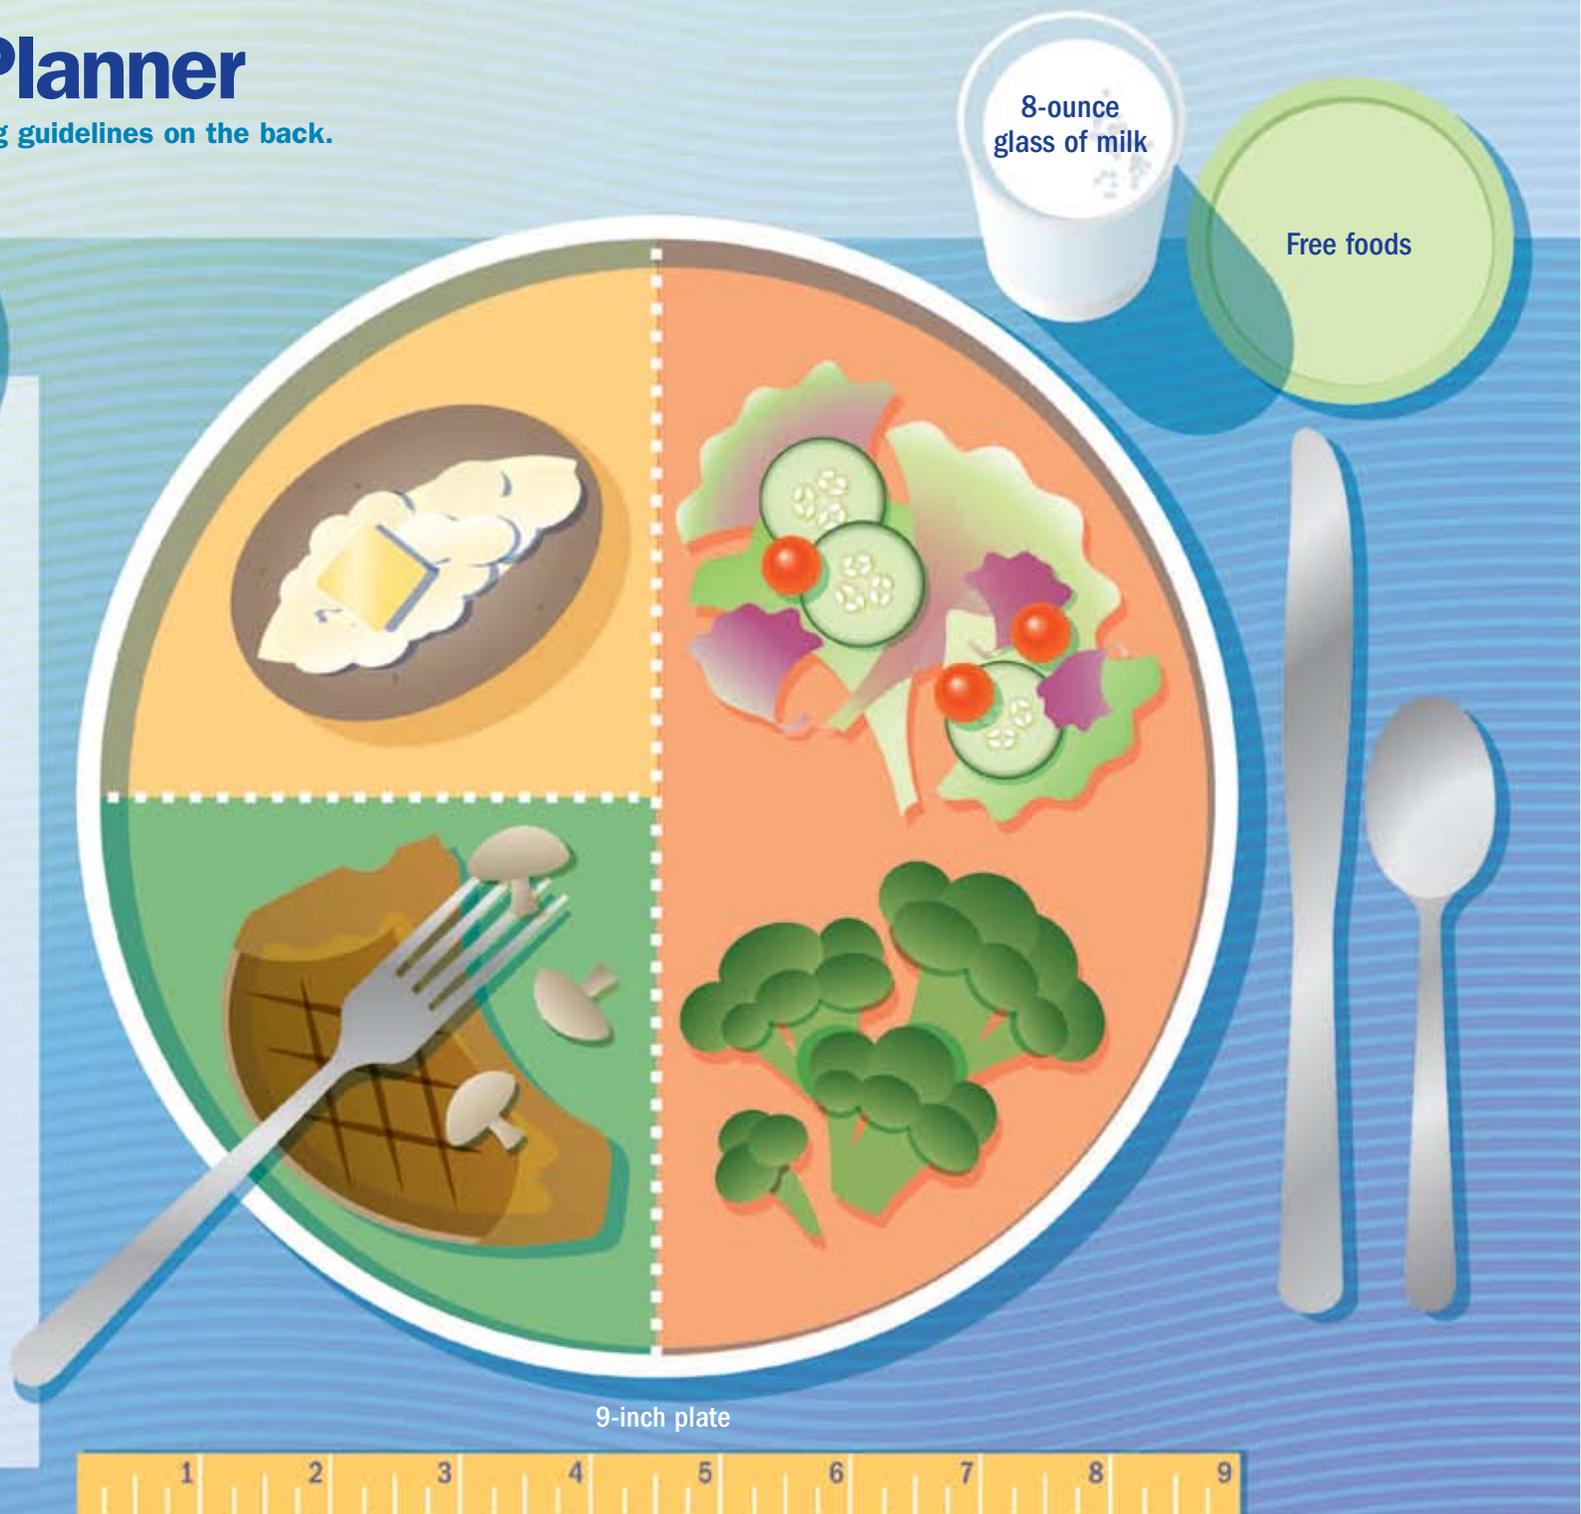

My Plate Planner Methods of Use

- Fill 1/2 of your plate with vegetables such as carrots, broccoli and salad
- Fill 1/4 of your plate with lean meat, chicken or fish; this is about 3 ounces
- Fill 1/4 of your plate with a starchy choice such as 1/3 cup rice
- Add 1 serving of fruit
- Choose 1 serving of milk
- Add margarine or oil for preparation or addition at the table

Add other portions as needed to round out your meal plan

For breakfast, use the two quarters of the plate and not the other half

For lunch and dinner, use the whole plate
